WebTL = Web based Truck Loading

The screenshot displays the VIP WebTL software interface, which is used for web-based truck loading. The main dashboard shows a truck load summary for "Truck: 153 - SUPER - 16 BAY SIDELOADER" with a load number of 6696, 545 units, 9 stops, 16 pallets, and 0 carts. The interface is divided into several sections: a top navigation bar with "TL Dashboard" and "Load: 6696"; a central area with a list of items and their quantities; a right sidebar with a list of items and their quantities; and a bottom section with a table of stops and truck totals.

A "Settings" dialog box is open in the center, titled "Change loading size color". It contains a "Set the color" section with a list of loading sizes and their corresponding colors. The colors are: AA - Kegs (Red), BB - Cases (Blue), B2 - Cases - Whs2 (Blue), B6 - 6 Packs (Blue), D3 - Domestic wh3 (Green), I3 - Import wh3 (Green), WW - Wine (Orange), W2 - wine whse2 (Pink), and ZZ - MISC (Grey). The dialog also has "Save", "Cancel", and "Restore Defaults" buttons.

The background interface includes a "Dashboard" section with a "Load: 6696" summary, a "Truck: 153 - SUPER - 16 BAY SIDELOADER" summary, and a "Stops, Truck Totals & Entire Truck Diagram" section. The "Stops, Truck Totals & Entire Truck Diagram" section shows a table of stops and truck totals, with columns for "All Stops", "Truck Totals", and "Entire Truck Diagram". The table includes rows for "2", "4", "6", "8", "10", "12", "14", and "16", with percentages indicating the status of each stop.

Retailer Portal is a retailer account management and ordering system

The screenshot displays the XYZ Beverage Retailer Portal. At the top, navigation links include 'Account Summary', 'Order Entry', 'Settings', 'Retailers', 'Help', and 'Logout'. The user is logged in as '49630 - TRY-N-SAVE'. The main header area contains account information for 'XYZ Beverage' and 'TRY-N-SAVE', including contact details and delivery terms. Below this, a navigation bar offers 'Get Started', 'Build Order', 'Shopping Cart', and 'Check Out' options. The central content area is divided into two sections. The left section, titled 'Scheduled Delivery Days', shows a calendar where 'Tuesday' and 'Friday' are selected, with the 'Next Delivery Date' set for '09/26/2014'. It also promotes 'current specials' with a link to 'Try the newest Rita Flavor'. The right section features a table of 'Saved Shopping Carts (6)' and 'New Orders (6)'. The 'Saved Shopping Carts' table lists items with columns for Order#, Date Created, Case, Keg, and Bottle, along with edit and delete icons. The 'New Orders' table shows a single order from 11/25/2013. A 'Create New Order' button is located below the orders table. The footer indicates the system is 'Powered By: VIP'.
